

Lunch Club Information

Thank you for choosing to use our lunch club. We view lunch club as a social activity where staff and children sit together and healthy eating is encouraged. Please can you ensure your child has a named lunch box with a healthy lunch inside.

We suggest sandwiches/ rolls/wraps, fruit and yoghurts. Crisps are permitted, but please do not include sweets as part of your child's lunch!

Wherever possible your child should be sent in with a drink bottle with a lockable spout (i.e. a sport's bottle) or a carton of drink. We are happy to provide your child with water, but please no fizzy drinks or cans!

Due to **potential allergic reactions**, please **do not include nuts or any products containing either nuts or sesame seeds**, for example peanut butter or cereal bars, as part of your child's lunch. There have also been recent incidences of children choking on grapes and we ask parents to slice grapes, strawberries and small tomatoes to minimise this risk.

Please can we also remind you that lunch club finishes at 1pm and the afternoon session at 3pm. We are not insured to be in the building past these times so please arrive punctually to take your child/children home. If you are unavoidably delayed, please call 07977708464 and two members of staff will stay with your child until you arrive. If we do not hear from you we are required to implement our 'Uncollected Children Policy'!

We hope your child enjoys the lunch club experience!
